

Uncovering Opportunities

Ongoing workshops for refugee youth

Are you new in Germany and looking for career development? Do you want to meet new people, improve your German, and find out which profession is right for you? Then you have come to the right place!

Our offer

The Bildungsmanufaktur is an ongoing workshop for art, craft trades, and design. With us you will have many opportunities to discover your own talents, practice your German, and to find the right apprenticeship or career path for you.

The next course starts on the 4th of September 2017. You can enroll at any time and stay until you feel confident enough with your German (ca. A2) to pursue the educational/career path that you choose. We support and advise you in your search for apprenticeships or alternative education.

Participation in the Bildungsmanufaktur is free of charge.

Who can join

Youth from the ages of 14 up to 27, with or without German language skills, with or without previous school or work experience.
